WOOD BUFFALO REGIONAL SCIENCE FAIR

"Cretaceous Park" Ticket Application

Grade Four School Groups

The Wood Buffalo Youth Science Foundation and Keyano College are pleased to present "Cretaceous Park: Dinosaurs and Plants of Ancient Alberta". This talk will be given by world-renowned palaeontologist Dr. Philip Currie and palaeobotanist Dr. Eva Koppelhus in the Keyano College Main Theatre on April 2nd, 2009. Tickets are reserved for grade four school groups (tickets will be made available to students in grades five and six if seats remain available after March 15th). Students must be accompanied by their teachers. The doors to the theatre will be opened at12:15pm and the talk will begin promptly at 12:30pm. Admission to this talk is free and the WBYSF will reimburse schools that present receipts for their transportation costs. Please visit our website (www.wbrsf.ca) for additional details.

Please complete this form to apply for tickets for your school or classroom (tickets will be delivered to your school). Seats will be assigned on a first come, first served basis. This form may be faxed (780-791-4991) or mailed to the address at the bottom of the page. **This form must be received by March 30th, 2009.**
