

School Science Fair Registration and Application for Funding

Please complete this form to register your school or classroom science fair with the Wood Buffalo Regional Science Fair and/or to apply for WBYSF funding. This form must be filled out by all schools holding organized fairs. The information you provide will be used to determine how many finalists your fair is eligible to send to the Regional Fair. **This form must be received by January 31st, 2010.**

The Wood Buffalo Youth Science Foundation is pleased to offer funding to schools and individual classrooms that organize and run their own science fairs within the Municipality of Wood Buffalo. School fairs must send finalists to the 2009 Wood Buffalo Regional Science Fair in order to be eligible. A single cheque will be mailed to each school; \$100 will be granted for each classroom that holds a fair, up to a maximum of \$500 per school. Schools and other organizations (i.e. science clubs, community groups, and home schooling organizations) that are not holding a fair, but have students registered in the Wood Buffalo Regional Science Fair, are eligible to receive \$100 in funding to assist participants with their projects. Please visit our website (www.wbrsf.ca) for more details.

Do you Wish to Advertise Your Fair on Our Website? <input type="radio"/> Yes <input type="radio"/> No	Do You Wish to Apply for WBYSF Funding? <input type="radio"/> Yes <input type="radio"/> No		

Declaration:

I certify that the information above is, to the best of my knowledge, accurate and complete. If I have applied for funding, I consent that these funds will be used only for science fair and/or project-related expenses (this may include regional registration fees, fair day logistical costs, student project materials, awards, prizes, or memorabilia). Schools that are requesting funding must have this form signed by their school principal.
